

Check Application Certificates

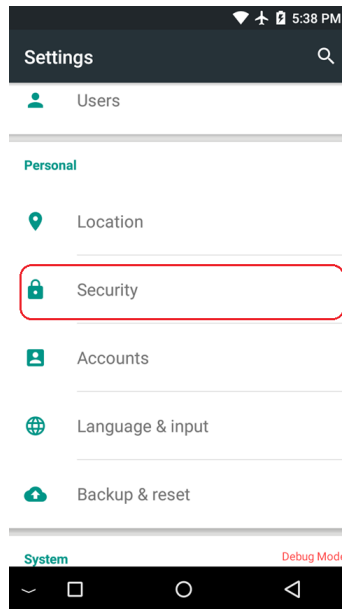

- 1) Navigate to the home screen by pressing the HOME button on the device.

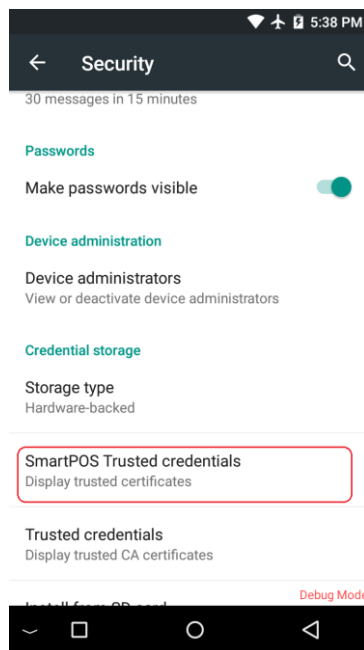

- 2) Open the **Settings** application from the HOME SCREEN / LAUNCHER

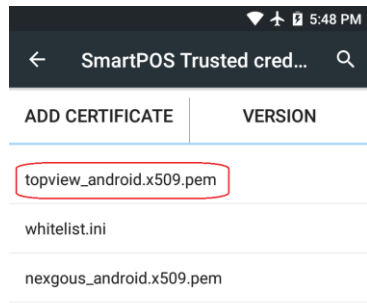

- 3) Inside the **Settings** application, scroll down until you see the **Security** – and press Security to enter the menu.

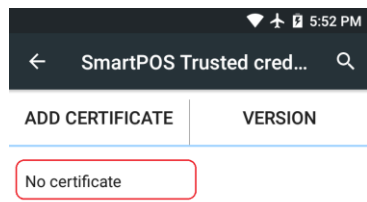

- 4) From the **Security** menu, scroll down until you see the option **SmartPOS Trusted Credentials**.

- 5) Once you enter the **SmartPOS Trusted Credentials** menu, you will either see (A) a list of the installed certificates – or (B) a message that no certificates are installed.
